

CCHS Graduation Day Photo Information 2010

Digiworx will be taking photos during the following events on Saturday May 8th

📷 **Class of 2010 Photos.** Two class group photos will be taken in cap and gown immediately following the convocation ceremony. Weather permitting, the grads will march outside to the front steps of the college where they will pose for a group shot. They will then toss their hats in the air for another group photo.

📷 **Grand March.** Digiworx will take a photo of each grad/group as they come through the archway on the floor of the Enmax Centre beginning the Grand March.

📷 **Banquet Night.** Digiworx will have a station set up for taking formal portraits throughout the banquet and dance. We invite grads and their families or dates to have portraits taken at no cost.

All photos can be previewed and ordered immediately or from our secure website within 1 week of the event.
