

Off-Campus Education News

Time Sheets

All Work Experience students please remember to bring in your October timesheets, or pay stubs, and pick up your November timesheets.

Thank you to all the students who have been bring in their forms and timesheets!

Green Certificate

The next testing dates for Green Certificate will be on Wednesday, November 29, for Cow-Calf, Feedlot and Swine. On Thursday, November 30, they will be testing for Field Crop, Irrigated Crop, Dairy, Equine, Sheep, Beekeeping and Greenhouse. The testing location is at the Coaldale Community Centre. Please contact Mr. Boschee or Becky Domolewski to register.

Become A Student For A Day

This is great opportunity to check out post secondary institutions!

Lethbridge College - The next available session will run in November. For inquiries, please contact info@lethbridgecollege.ca or call Recruitment Services at 403-320-3322. Or go to the following link: <https://www.lethbridgecollege.ca/student-for-a-day>

University of Lethbridge - They will pair you with a student volunteer in the program you're interested in, and you'll attend classes, labs and even go for lunch (on them, of course). <https://www.uleth.ca/future-student/be-student-day>

Olds College - Student for a Day is a program where you are paired with a prospective student to attend classes, have lunch, check out facilities and talk to them about the "Olds College experience" ? Contact Student Recruitment at info@oldscollege.ca.
