

# AFFIRM, REFINE, ASPIRE

== HS LEARNING SERVICES NEWSLETTER - JUNE 19, 2020 ==

## Taking a Moment To Reflect...

If you haven't had a chance to read through any of the other Learning Services newsletters this year, I would strongly encourage you to choose this as the one you are going to look at! Our Learning Coaches (Louise Knodel & Dianne Brodie) worked closely with Tia Wever to compile a beautiful montage of memories that document an unbelievable school year. We all hope that this short video will remind you of some of the amazing things we have accomplished as a learning community this year, and we couldn't have done it without you.

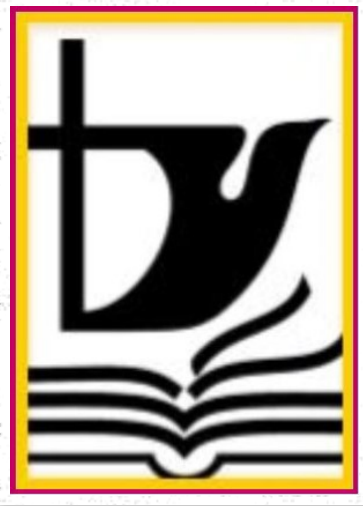

This will be the final edition of 'Affirm, Refine, Aspire' for this school year, and I hope you have found it to be a valuable resource for you in your classroom. I wish you a wonderful, relaxing summer spent with close family and friends. I also hope you take the time to reflect upon those most precious memories that will make 2019/2020 an unforgettable year for you.

Take care & God Bless,  
Carmen Larsen, Director of Learning
