#HS4 One Great Thing!

Holy Spirit Learning Services is preparing for the last edition of "Affirm, Refine, Aspire" for the 2020-2021 school year. We are hoping it will be a reflection of **ALL** the great things that have happened this year - in the spirit of **celebrating learning, teaching, collaboration, and growing professionally!**

This year has been challenging in many ways, however, we want to acknowledge that despite the many obstacles, our staff and students have risen above the challenges and accomplished so many amazing things. We want to celebrate all of the great things (whether you consider them big or small!) that Holy Spirit has continued to do this year.

You are invited to submit YOUR #HS4 One Great Thing! below. Submissions will be added to the final newsletter creation as a celebration of learning.

Feel free to submit a phrase, quote, a photo, short story, an example of a new thing you learned, a success, a challenge you overcame, or *any* exciting thing you would like to share. You are welcome to do so identifying your name or do so anonymously. All staff are welcome to submit, and all who provide a submission will be entered to win a fun summer prize pack!

Please click the link below - submissions accepted until June 8, 2021.

I can't wait to hear about all of the exciting stories of success and growth from this year.

Please also be sure to check out this month's edition of '[Connecting to the Land: National Indigenous Peoples Day & History Month](#)' newsletter.

Affirm, Refine, Aspire- Collaboration for the growth of all learners. Thank you for sharing your One Great Thing!
