### PRESS RELEASE

WEDNESDAY, JULY 13, 2011

---

Holy Spirit School Division is pleased to announce that it has received approval for the following modular projects:

- The relocation of two modulators from Catholic Central High School to Our Lady of the Assumption School.
- The addition of two new modular classrooms to St. Patrick Fine Arts Elementary School.

“We are so grateful to the Capital Planning Branch of Alberta Education for their timely response to our requests. These modulators will assist us in addressing the rising enrolments seen at both Our Lady of the Assumption and St. Patrick Fine Arts Elementary,” notes Superintendent Christopher Smeaton.

Preparations are currently underway to place the relocated modulators during the 2011/2012 school year and the new modulators in time for the 2012/2013 school year.
