Why Are We Still
Talking about
Assessment for
Learning?

March 20, 2017
Making Intentional
Assessment Choices

After a one year resting period, we are planning to run a new version of the **HS4 Collaborative Peer Mentor Program** for teachers. This professional learning opportunity will assist participants in developing common understanding and skills as *“Collaborative Peer Mentors.”* With the goal of improving student learning, sessions will focus on **Building Leadership in Assessment**. In collaboration with the Alberta Assessment Consortium, participants will attend four full day sessions as well as plan and engage in classroom visits to observe and lead pre and post visit professional conversations.

Substitute teacher costs will be covered through central office Learning Services. Interested participants should discuss this opportunity with their school principal and then contact:

Lorelie Lenaour: lenaourl@holyspirit.ab.ca

by Friday, October 14, 2016

Sessions are scheduled for November 23, January 11, February 15, and March 20. Participants are expected to commit to **all** sessions.

When considering this program, please be prepared to mentor and be mentored, to spend some time away from your classroom and to contribute enthusiastically to a new Professional Learning Community.
