

Catholic Central High School – Department of Phys-Ed

Medical Release Form

Students registered in Physical Education at Catholic Central High School are offered a wide range of varied activities. Sometimes students have medical histories or handicaps, which impair their full and unhindered participation in physical education. Consequently, the students must be provided with adaptive and/or alternative programs. Should your son/daughter have any such difficulty, please describe the problem on the attached document. Please understand that this information is for the protection and benefit of your child. All information is confidential.
