

**Catholic Central High School  
School Council**

AGENDA- Wednesday November 21, 2018

**FFT:** A parent's best weapon against peer pressure is attachment.  
Boost your child's attachment to your praise.

**1. Call to Order/Opening Prayer-**

We gather here today to start an important meeting, for the future of our children. These are the children that you have granted to us to love, to care and to educate. They are our responsibility until they develop into mature individuals physically and spiritually, and ready to follow your guidance by themselves. Please be present here among us. Brighten our minds and open our hearts, so that we can find your will in everything we face together. Teach us how to speak and listen, so that every word we say will glorify your name and bring comfort to others. Help us to learn to share and understand communal discernment for the sake of our children. We ask this in the name of the Lord. St. Joseph pray for us. Amen
