

Along with our **Family BBQ**  
Father Leonard Van Tighem presents  
**"Putting Our Best Foot Forward"**  
with  
**Alvin Law!**

**Wednesday,**  
**September 21<sup>st</sup>, 2016**

There is an expression that says, "First impressions are everything". For our speaker, impressions can be negative. Usually because he has no arms. He was born that way because his mother was given medication when she was pregnant and his arms never grew. Some people would see that as tragic, but not Alvin. Today, he is married, is a Dad, and owns a speaking company that has taken him to five different continents around the world. In fact, he has spoken to over two million people and is even in the Canadian Professional Speakers Hall of Fame. He is proof that no matter what happens in life, our attitude really does make a difference.
