

**PARENTS - IMPORTANT SAFETY NOTICE!**

The City of Lethbridge has communicated a “Boil Water” order. It is not known how long the order will be in effect. The tap water in the City of Lethbridge is not safe to drink. Go to Holy Spirit website ([www.holyspirit.ab.ca](http://www.holyspirit.ab.ca)) for more information or the City web site at

<http://www.lethbridge.ca/NewsCentre/Pages/Water-Conservation-March-2014.aspx>

To restrict access to unsafe drinking water, all school water fountains will be inaccessible. We ask that all PARENTS/GUARDIANS PLEASE SEND YOUR STUDENT(S) TO SCHOOL WITH SAFE HYDRATION (e.g. boiled water, bottled water, juice).
