Dear Parents, Guardians and Community Members of the Holy Spirit Catholic School Division:

On behalf of the Board of Trustees, I would like to take this opportunity to thank you for your response to the proposed Bill 2 legislation. Your response was a quick call to action, which resulted in great impact directed from parents, guardians and the community. We are confident that our concerns will be addressed as we know that our local MLAs received your communication and concerns.

As the writ has now dropped and the provincial election has been called, Bill 2, as it existed in its most recent draft, has been extinguished on the Order Paper. This allows us time to further address amendments to *The Education Act* in the future.

Should you have any questions, please do not hesitate to contact me at 403-327-9555.

Thank you for your support of Catholic Education.

Sincerely,

Sandra Dufresne,
Board Chair
