

FLVT SCHOOL COMMUNICATION UPDATE

Our goal this year was to improve and increase the various tools we use for communicating with our community. We focused our energies on creating a **Facebook Page (Father Leonard Van Tighem School)** and using our **Twitter account (@flvthawks)**. If you haven't already liked the Facebook page or followed us on Twitter, you can easily find us through the links at the top of our webpage.

Next year we are going to be focusing our energies on two additional modes of communication: **Website** and **Remind**. We are working on redesigning our website by changing headings and having our Twitter feed on the website. Currently you can click on the **"Spotlight"** tab (which will be retitled **"Upcoming Events and Calendars"**) and find a link to our **Google Calendar** and **Events Information**.

After a discussion with Parent Council at the June meeting, we will be introducing a new form of communication using **Remind**. For those of you not familiar with it, **Remind** is a free, safe, and simple messaging tool that will help us to share important updates, reminders, and celebrations with our school community. You can subscribe by text, email or using the Remind app. All personal information is kept private. We will never see your phone number, nor will you see ours. Please follow the directions below to join our FLVT School News group. We plan to start using Remind beginning next week!
