

Dear Parents,

Gaining feedback from staff, parents and students is an important part of the planning process for our school division. Students are able to provide their feedback through the, “Tell Them From Me” survey. This survey has provided our schools with excellent information. In the past, the division has utilized data from the “Accountability Pillar” survey provided through Alberta Education, as well as the “Schollie Satisfaction” survey.

In an effort to get the best possible feedback from staff and parents, this year we have developed a local survey. This information will provide us with excellent data to lead us into next year and beyond. Please take the time to provide us with your honest feedback - <http://ow.ly/vmeZv>.

Thank you in advance for your time and insights!
