If your child requires specialized programming, please contact the Division's Early Learning Coordinator, Michelle MacKinnon, at (403) 327-9555.

Re-Registration:

Beginning in February 2012, as part of the legal mandate from Alberta Education, we will again be asking all families to re-register for the upcoming 2012/2013 school year. A form will be sent home with each child for parents to review, change, and return to your child's current school. If your child will not be attending the school next year for any reason, please indicate this on the form and return it to us. Returning this form promptly will ensure placement for your child and help the school plan accurately for the upcoming school year.
