## U of L Course Registration Workshop

A representative from the **University of Lethbridge** will be coming out to St. Michael's on **Friday, March 23**, to help any students who are attending the U of L next fall. She will show students how to register for their courses on-line and answer any and all questions they may have. The workshop will take place starting at 9:30 a.m. Check at the office to find out where this workshop will be held. Parents are welcome to attend as well!

## Lethbridge College Presentation

On **Monday, March 26**, a recruitment officer from the **Lethbridge College** will be at the school at 2:00pm to do a presentation about post secondary opportunities at the college.

Students will be able to ask questions and talk to her at this time.

## Work Experience and RAP Employers

The Off-Campus Program at St. Michael's school is always looking for placements for our students. If any employers would like to employ a RAP or Work Experience student this summer and would like to have more information about these programs and how it could benefit your business please

contact **Mr. Mark Boschee at 587-220-4358.**
