

**Christmas Concert video still available!**

OOPS! We ordered too many video copies of this year's Christmas Concert production, *The Truth is IN There*. If you missed the original order deadline of Dec. 18, you can still buy one. They are in the school and can go home with your child before Christmas. Please open your SchoolCashOnline account for more details. Each USB with both shows on it is just \$18.00.

Merry Christmas!
