Limited Loop Use - Bus Needs

Good morning - until paving on Grand River Blvd is done, our school buses will need to use the loop to turn around to head north again on Rivergreen Rd. While they can wait a bit for traffic to subside at peak times, it is most helpful if parents do not use the loop. If you must use the loop, **ABSOLUTELY NO PARKING** in the loop is permitted until after all buses have come and gone to get our kids home at their usual times.

Thank you for your cooperation!
