

Yearbook Final Reminder!

Online sales for the 2017-2018 yearbook close on July 14th! Don't miss your chance to purchase a yearbook to enjoy your child's St. Patrick Fine Arts school year for many years to come. This is certainly not just for grade 6 students!

Personalized yearbooks are also available including your child's photo and name on the cover for just \$5 more.

Each book is just \$20 and we are still 25 copies short of our sales goal. Please help out your School Council by making your purchase today.

Visit www.ybpay.lifetouch.com to place your order. Our school's number is **13155618** (not needed at order, but handy!).

Don't be disappointed by not getting your copy to celebrate the last school year. All books are delivered to the school in September.

Thank you!
