Michelle Nevil, Principal • Sean Ethier, Associate Principal

Hello Parents and Guardians,

My name is Sean Ethier and I am the Associate Principal at St. Patrick Elementary School. I am very excited to begin this new school year and I am truly honored to be working within a school community that shares such a wonderful commitment to Catholic Education.

We have entered into our third and final year of our Faith Plan where we are now learning the many ways God has provided us the ability to Share Our Bounty. The more we close the gap between the life we are living today and the life Jesus invites us to live through the Gospels, the more we will experience joy.

SPT has an amazing and dedicated staff and I wish to thank all of them for their hard work and commitment to providing an excellent educational experience for all students. I am proud to be part of a team who strives to ensure that we challenge students to be the best that they can be - that we value strengths, celebrate differences and help students to learn and prosper from their mistakes as part of the greater learning process.

I hope to, along with the SPT Staff continue to build on the many wonderful programs and traditions that our staff, students, and parents have worked so hard to establish. By continuing to work together, we can create new goals and open new doors that will further enrich the lives and learning of our SPT students. As a community, we can take pride in the accomplishments of all our students and in the many ways we share our Catholic faith and values.

I wish everyone a blessed 2018/2019 school year.

"Peace Be With You" (John 20:19).

Sincerely,

Sean Ethier,
Associate Principal
