

Hi Everyone,

Most of you know me... My name is Michelle Nevil and I am honored to be the principal of St. Pats this year. I have been part of St. Pat's staff and community for 11 years. I started here as a Grade 3 teacher, spent a lot of my time as the Kindergarten teacher, found a love for admin and was the Associate Principal for 5 years and now I'm Principal.

What a wonderful journey it has been.

I look forward to working with all of you in the first years of your child's educational journey. Our goal here at St. Pats is to build a foundation for your child's future and life. We hope when they leave these doors they will have learned to love and accept others for all their gifts and differences, and that they will forever love to learn new concepts and ideas; and embrace all the gifts God has graced them with.

Our Mission:

In partnership with our community we will empower, nurture and challenge our students to be proactive learners and responsible citizens who live and share their faith.

Thumbs Up,
Mrs. Nevil
